

A photograph of an electrician wearing a hard hat, safety glasses, and gloves, working with a large cable at a utility site. The background shows a building and various signs, including a 'Do Not Enter' sign and a 'ONE WAY' sign. The image is overlaid with a large orange triangle on the right side.

Electric Services

Mears delivers safe, comprehensive solutions to the Electric Distribution and Transmission industry. Whether the project requires specific time-driven outages or immediate 24/7 response, our skilled team has a proven track record of getting the job done for our customers.
